

## Corporate responsibility governance

The Board is committed to achieving the highest standards of corporate responsibility in directing and controlling the business. In terms of the governance of our corporate responsibility strategy, Harvey McGrath, Chairman, has Board level responsibility for social, environmental and ethical risk management. The Board discusses Prudential's performance in these areas at least once a year and also reviews and approves Prudential's corporate responsibility report and strategy on an annual basis.

Below Board level, the Responsibility Committee is a specialist Group-wide committee. This committee is responsible for reviewing Prudential's business conduct and social and environmental policy, and ensures consistency of approach across the Group's international businesses. Consideration of environmental, social and community matters is embedded in our Code of Business Conduct and supported by our corporate responsibility philosophy and programme, which takes into account local cultures and requirements across our businesses.

The Corporate Responsibility team, which is located in our Group Head Office, develops Prudential's corporate responsibility strategy and works closely with individual business units to provide advice. The team also assists with the development and adaptation of Group-wide initiatives so that they not only fit with our overall Group principles but are also adapted to meet local needs.
